ISO/IEC 27001:2022 certificate

DEMO DOCUMENT — Demo Cloud d.o.o. is a fictional company. This document is illustrative sample content of the IVERIOS Trust Center demo and contains no real data.

Certification body

Certa Assurance d.o.o., Zagreb, Croatia — accredited by HAA (Croatian Accreditation Agency).

Certified organisation

Demo Cloud d.o.o., Zagreb, Croatia

This is to certify that the Information security management system of the organisation above has been assessed and found to conform to the requirements of ISO/IEC 27001:2022.

Scope of certification

Information security management system for the design, development, operation and support of the Demo Cloud e-invoicing, document archive and workflow SaaS platform, including the Peppol access point, delivered from the Zagreb office and EU cloud infrastructure, in accordance with the Statement of Applicability version 4.2 of 15 January 2025.

Item	Value
Standard	ISO/IEC 27001:2022
Certificate number	CA-ISMS-2025-0412
Date of issue	10 February 2025
Valid until	9 February 2028
Certified sites	Zagreb office (Croatia); EU cloud infrastructure (Frankfurt, Germany; Stockholm, Sweden)

Audit history

Initial certification audit: 9–13 December 2024 (stage 2). Surveillance audit: 20–22 October 2026, no nonconformities.

The validity of this certificate depends on successful annual surveillance audits. The current status can be verified with the certification body quoting the certificate number.

For and on behalf of Certa Assurance d.o.o. — Head of Certification
